Refugees and Migrants are Welcome in Leeds...

# Farage is NOT welcome here

## RACISM OUT OF THE REFERENDUM

UKIP Leader Nigel Farage plans to speak in Morley, Leeds on Monday 30 November as part of his 'Say No To EU' tour. Farage will use the rally to ramp up racist scapegoating of migrants and refugees at a time when they need our solidarity. Whether you are in favour of leaving the EU, want to stay in or have not made your mind up yet join us at the protest to say racism out the referendum and don't let the likes of Farage divide us.
